

## MONEY THROUGH THE AIR

### A Wireless Telegram Transfers Funds in Mid-Ocean

Henry Robertson telegraphs His Mother for Funds and gets Them at Sea

New York, Aug. 15.—The first application for wireless money orders is reported by the company, which arrived this morning. Henry Robertson, in mid-ocean, found himself funds. His mother was eastward bound on the Lucania. Communication was established when the ships were 50 miles apart. The Lucania purser collected \$50 from his mother, and wired the purser of the Campania to advance the amount.

## Fine Theatre is Destroyed

Madrid, Spain, Aug. 15.—The Juan theatre, one of the largest and finest in Spain, was destroyed by fire, presumably incendiary, last night.

## Will Steam to New York

Washington, Aug. 15.—Naval Constructor Gilmore wires the navy department that the Massachusetts will be able to steam to New York when the bulkheads are shored and the minor leakages stopped.

## Jett and White Go to the Pen

Cynthia, Ky., Aug. 15.—The court this morning overruled the motion for a new trial in the Jett-White case, and the prisoners will be taken to the penitentiary tomorrow. The case against Jett charged with the murder of Tom Cockrill, will be heard in this court at the September term.

## Hearst is Indorsed

Denver, Colo., Aug. 15.—The National Building Trades Council Friday afternoon, after a spirited debate, in-

dorsed Congressman-elect William Randolph Hearst, of New York, for the presidency of the United States by a vote of 28 to 19.

After the vote had been taken, the opponents of the resolution withdrew their objections, and the indorsement was made unanimous.

Resolutions were adopted, committing the council to the principles of strict trade autonomy, and recognizing the indisputable and absolute rights of any or each trade to their own separate and distinct organizations, without hindrance or interference from any other organization. A resolution was adopted that amended the constitution so that all local unions or crafts, whose national or international organizations are affiliated with the National Building Trades Council, shall be required to affiliate with local building trades councils in their vicinity.

## Did He Kill His Wife

Kansas City, Mo., Aug. 15.—The entire police force is searching for Geo. Evans, president of the American Transfer Company, believing he murdered his wife, who was found dead in bed this morning. Mrs. Evans sued for a divorce a week ago, and is the woman who, in the recent teamsters' strike attracted attention by taking a teamster's place, and handling a big team through the mob of strikers.

Evans' body was found at noon in St. Mary's cemetery; with the top of his head blown off.

## Kansas Rivers Again at Flood

Kansas City, Aug. 15.—The Kaw rampage continues, and the six-foot rise coming threatens great danger. The west bottoms were under three feet last night, and six pontoons in the army bridge broke loose today, and lodged against one of the ten temporary pile bridges, all of which are in great danger. They are closed to traffic and weighted down by engines and cars. The street cars between the two Kansas Cities have been stopped by water backing up the west bottom sewers.

## Archbishop of Manila

Rome, Aug. 15.—Rev. Harton, of St. Louis, was today consecrated archbishop of Manila by Cardinal Satolli. The ceremony lasted four hours, and the participants were nearly prostrated by the intense heat. Among the spectators was the Rev. Kendrick, of Rochester, N. Y., the unsuccessful aspirant for the archbishopric, who will be consecrated bishop of Cebu, August 23d.

## RUSSIA MAKES DEMANDS

### Also Sends Squadron to Turkish Waters to Back Them

At the Same Time Notifies Bulgaria, not to Misinterpret Her Warlike Actions

St. Petersburg, Aug. 15.—An official message today says the Russian ambassador at Constantinople has received a telegram from Sebastopol announcing that the squadron of the Russian Black Sea fleet has been ordered to sail for Turkish waters, for the purpose of enforcing the punishment of every official connected with the murder of the consul at Monastir.

St. Petersburg, Aug. 15.—The official Messenger today publishes the instructions sent by Lamsdorff, minister of foreign affairs, to the Russian ambassador at Constantinople, demanding the following measures from the Porte: The arrest and immediate severe punishment of all Turkish officials connected with the consulate of Uskub. Second, the reinstatement of Ismail Hakkı, who has been dismissed, but whose efficiency has been testified for by the Macedonian inspector general. Third, immediate close of all peasants, on whom, according to reports of Russian and Austrian consuls Turkish troops perpetrated atrocities and punishment of officials at Salonica and Prizrend, whose malpractices have been brought to light. Fifth, all foreign officers employed in Macedonia are to enroll fresh gendarmes and police for the protection of the peaceful population, and preservation of legitimate order. Lamsdorff has also instructed the Russian agent at Sofia to inform the government officers of Bulgaria that Russia's vigorous action towards the Porte must not be interpreted as in any way encouraging the Macedonian revolutionary agitators, at whose hands the Christian population suffers as much as from Turkish outrages.

## Murdering Each Other

London, Aug. 15.—The Daily Mail prints a dispatch from Belgrade which says that several thousand Albanians have marched to reinforce the Turkish troops who have recaptured Kriabevo and have massacred the whole Christian population. The Mohammedans in surrounding villages surrendered their arms to the Bulgarians. The insurgents have killed many Wallachians at Kutz, because they acted as Turkish spies. Albanians, in revenge for the destruction of the Albanian villages of Salo and Zaltsba by the insurgents, have burned the village of Karbonista, and have slaughtered its inhabitants.

Sofia dispatches to the Times say that the Bulgarian press severely censured the indifference which Prince Ferdinand and the government displayed in regard to the insurrection and the extermination of Bulgarians in Macedonia. The press strongly urges the government to deliver the Macedonians from the Turkish yoke.

## Greece Fears Serious Times

Athens, Greece, Aug. 15.—Official recognition of the gravity of the situation in the Balkins is given by Premier Ralli to the ambassadors of the powers, saying the Greeks and Turks in Macedonia can't continue to endure the provocation of Bulgaria, and reprisals must inevitably follow.

## Albanians are Restless

Vienna, Aug. 15.—Advices from Constantinople say the insurgents are in possession of Kilauro. Fighting continues between the Turks and insurgents near Sirula, and both sides have lost heavily. It is also stated the Albanians are rapidly getting beyond control.

## ONLY LACKED LEADERS

### Mob Formed but Dispersed without doing Business

The Laws Intermittent Delays Reason for Gathering which May Again Occur

Lander, Wyo., Aug. 15.—A mob formed at 2 o'clock this morning to lynch Keffer and Dollard, the murderers, but no move was made, apparently lacking leaders. Dollard killed two men Wednesday, while drunk. He is an ex-Rough Rider. Keffer killed a stage driver two years ago, and has so far evaded the noose on legal technicalities. It is believed another attempt to lynch them will be made.

Reliance in the Drydock.  
New York, Aug. 15.—The Reliance went into the dry dock today in the Erie basin, alongside Shamrock III, preparatory to the races next Thursday.

## No Woman Suffrage

Washington, Aug. 15.—The typos today, by a unanimous vote, killed Belva Lockwood's plea for the endorsement of woman suffrage. They adopted a resolution recommending F. S. Wauby, of Rochester, N. Y., for commissioner of labor, to succeed Carroll Wright. A committee of three was appointed to take charge of the discussion of taxation in the official journal. January 1, 1905, was the day selected for the general inauguration of the eight-hour working day among the printing craft. They adjourned sine die at noon.

## Wright is the Odd Member

Scranton, Pa., Aug. 15.—President Nichols of the mine workers of this district, at 1 o'clock this morning received a telegram from Judge Gray, announcing the appointment of Carroll D. Wright, former commissioner of labor, to act as umpire, or the seventh member of the miners' conciliation board.

## A Long Eared News Monger

New York, Aug. 15.—On the Campania today arrived James Willis Sayre, a Seattle newspaper man, who is trying to break the record for globe girdling. He will probably lower it by at least four days, making the circle in about 55 days.

## Tried to pass on Same Track

Philadelphia, Aug. 15.—Two Pennsylvania freights, near St. Davids, had a collision in a fog this morning. One trainman and two tramps were killed, and two other tramps badly injured. Twenty cars were piled on the locomotives.

## Home Rule for Ireland

New York, Aug. 15.—Rourke Cochrane today predicts that Ireland will be granted home rule, and become one of the most potent factors in the world's government. The landlord class, all that has prevented home rule, is now practically eliminated.

## Venezuelan Arbitration

Washington, D. C., Aug. 15.—Judge William L. Penfield, solicitor for the state department, leaves today for The Hague, where he will take charge of the American interests in the arbitra-

tion proceedings before The Hague tribunal. He will also represent Mexico and Venezuela. His object is to see that England, Germany and Italy do not get the best of the situation. Under the terms of the settlement of the late Venezuelan imbroglio, 50 per cent of the customs at La Guayra and Porto Cabello are to be placed in the English bank to pay the claims which foreign countries have against the government of Venezuela.

The amount of these claims are to be fixed by the arbitration court, but with this phase of the proceedings Judge Penfield will have nothing to do. He is concerned with the claim of England, Germany and Italy being preferred creditors. Venezuela, Mexico and the United States claim that this is not so, and that all should share alike. The other two republics joined issue with the United States, and Judge Penfield will represent this contention.

## Killed a Policeman

Columbus, O., Aug. 15.—A colored policeman named Hardy, while laying in wait in the hope of capturing a man wanted for murder, was shot and killed by Private Policeman Miller, he believing him to be the man wanted. Miller thought the officer a thief when he ordered him to halt, and advanced firing.

## Non-Union Men Forced out

Topeka, Kan., Aug. 15.—The Machinists' Union today forced the last non-union workman out of the Santa Fe shops here. The demand will now be made for more pay, and the employment of union men only. The Santa Fe shops are now open, but officials say the demand will be resisted. The strike, which seems probable, will involve 3000 men here.

## Only Reached Spitzbergen

Tomso, Norway, Aug. 15.—A whaling vessel, just arrived, reports the failure of the Danish polar expedition, under Henry Ette. Many died from scrofula, and they only reached Spitzbergen group of islands, in the Arctic ocean, between Greenland and Novazembia, where they passed the winter. They are now homeward bound.

## HACKED WITH A HATCHET

### Master Mechanic of Louisiana R'y and Woman Killed

Brother of the Murdered Woman and a Companion Arrested for the Crime

Shreveport, La., Aug. 15.—Master Mechanic of the Cotton Belt Railway Elliott and May Smith were found at daylight in bed at their cottage, mangled and hacked with an axe. The woman is dying, the man unconscious. The brother of the woman, who slept in an adjoining room, heard the noise and discovered the tragedy. The brother and William McKeevan, another occupant of the cottage, have been arrested, charged with the crime. The bloody axe was found in the kitchen. Robbery was not the motive, as the property of the murdered man was found in the bed.

## No Trace of Missing Banker

St. Paul, Minn., Aug. 15.—No trace has been found of George Brainard, the missing banker and lumberman, of the Minneapolis Merchant's bank, Montgomery, Minn., recently acquired by Brainard and his brother, which didn't open yesterday. The liabilities are \$150,000; assets unknown. Financial troubles it is believed have unsettled Brainard's mind.

## Watermelons

On Ice  
—A T—  
**Zinn's**  
154 State St. Phone 1971 Main.

**What Would You Think If a Man Should Ask You to Pay for Goods You Didn't Get**

**You Wouldn't Pay for them, would you?**

But that's just what the credit store asks every customer to pay. The loss from bad accounts compels any merchant doing a credit business to charge extra profits. When you pay his price you pay for goods your neighbors bought.
